

Dear Zurich Netball,

Some of you may have heard we are hosting an International Invitational at the Bossard Arena in Zug. This will take place over the weekend of the 3rd and 4th of May. We have a team coming from England (Trafford) to play four full length games against the Swiss Nationalkader. On the Saturday they will play two games in the afternoon, and on Sunday they will play one in the morning and one in the afternoon.

In between these showcase games we would like to invite you to play. We are proposing two games, one each day against our Netball Zug team, 2 x 20min halves. Please let us know if you can send a team one day or both.

We would also like to invite you to cheer on the Swiss National team during their games. This will be the highest level of Netball in Switzerland so for those learning in your club it would be great opportunity for them to come and watch.
